

WaterMaster 2

Water Treatment for Ice, Steam & C-Stores

The WaterMaster 2 provides superior water filtration as well as proprietary water treatment technology proven to control scale problems in ice makers and steam cookers. The WaterMaster 2 introduces FDA approved special treatment blend at a constant rate to maximize scale elimination.

BENEFITS

- Controls scale forming water before entering an ice maker or steam cooker
- Provides continuous ice or steam production
- Reduces machine maintenance
- Built in multi-stage filtration to prevent premature clogging of the filter
- Connect to cold water line
- Easy cartridge change out
