ICETRO America Utilizes the IcePro water treatment systems in providing pre-filtration to all of our systems as well as controlling scale with a patented blend called Citryne*.

Includes Citryne®, which is a patented blend to eliminate the effects of scale in food service equipment.

The IcePro series is a complete system without the need to add additional pre-filtration or scale control. The IcePro series will provide superior filtration to remove particulates and eliminate the effects of hard water scale in all ICETRO ice makers.

 : 1-Year extended warranty (for more info., please check it www.icetroamerica.com)
